to charge: (1) Issuance of a reciprocal license, from \$70 to not more than \$70; (2) Issuance or renewal of a cosmetology school license, from \$250 to not more than \$250; (3) Lapsed renewal fee for restored practicing, advanced, or instructor license, from \$45 to not more than \$45 per renewal period; and (4) Preparing and mailing licensee records to another state, from \$50 to not more than \$50.

Requires the Board to adjust fees biennially within the specified limits to provide sufficient revenues to meet expenses.

Fiscal effect: The bill modifies the fees for cosmetology licenses by removing specific amounts that must be charged for particular licenses and instead allows the board discretion to establish the fees up to specified maximum amounts. This may result in an increase in license revenue collected by the Board. However, any changes to the amount of revenue collected will ultimately depend on the fees the Board chooses to charge for particular licenses.

DASCD35 Staggered renewal process for electronic licensing

Executive	As Passed by the House	As Passed by the Senate	As Enacted
No provision.	<p>R.C. 4745.05, 4745.01</p> <p>Requires occupational licensing agencies that use the electronic licensing system operated by DAS to adopt rules incorporating into the agency's licensing process (1) a minimum license duration of 2 years, and (2) a staggered renewal schedule so that an approximately equal number licenses are subject to renewal during each year of the duration of a particular license.</p>	No provision.	No provision.
No provision.	<p>Allows a licensing agency, after a reasonable period of time, to opt out of the above requirements if conformance did not establish a more uniform funding stream for the agency and has had an adverse effect on both the agency staff and the community regulated by the agency.</p> <p>Fiscal effect: Although requiring staggered renewal periods would alter the timing of license revenue receipts, overall revenue for occupational licensing and regulatory boards should not be affected. There may, however, be some administrative costs for converting to a two-year renewal process.</p>	No provision.	No provision.
