## STATE RACING COMMISSION

- Allows a person to own more than two horse racing facilities or more than two casino facilities, provided that the person is not the operator of any additional facility and is not a management company for the operator.

### **Racetrack and casino operators and landowners**

(R.C. 3769.07 and 3772.19)

The act allows a person to own more than two horse racing facilities or more than two casino facilities, provided that the person is not the operator of any additional facility and is not a management company for the operator. Prior law prohibited a person from holding a majority interest in, or being a management company for, more than two horse racing facilities or more than two casino facilities. Under the act, a person may exceed that limit as long as the person is a passive landowner.

The act also clarifies and reorganizes provisions of continuing law that:

- Prohibit a person from operating more than two horse racing facilities or more than two casino facilities;
- Prohibit a person from being a management company for operators licensed to operate more than two horse racing facilities or more than two casino facilities;
- Prohibit a person from conducting thoroughbred horse racing meetings at more than one facility.
